

Introduction

Hope in Haringey rooted in Tottenham (HiH) has a duty of care to safeguard and promote the welfare of children and vulnerable adults. HiH is committed to ensuring safeguarding practice reflects our statutory responsibilities and follows published government guidance¹

HiH's activities involve us working with children, young people and some young vulnerable adults. This policy recognises that their welfare and interests are paramount in all circumstances. It applies to anyone who works, volunteers or acts as a Trustee for HiH. It aims to ensure that regardless of age, ability or disability, gender reassignment, race, religion or belief, sex or sexual orientation, socio-economic background, all children and vulnerable adults;

- have a positive and enjoyable experience when engaged with any activity arranged by or meeting any individual managed by HiH
- are protected from abuse whilst participating in HiH activities

HiH is aware that that some children and vulnerable adults can be particularly vulnerable to abuse and we accept the responsibility to take reasonable and appropriate steps to ensure their welfare.
